Classic Pairings -Boaters and Co-Anglers will be paired by their standings at the completion of the six regular season events.

Classic Boat Launch Order - The point standings will dictate the boat order for the first day of the Finals. Day two boat order will be based on day 1 Classic finish.

Regular Season Tournament Pairings

A drawing will be conducted by the Tournaments Director (or Delegate) to pair Anglers and Co-Anglers.

In the event there are more Boaters entered than Co-Anglers, Boaters may be afforded the option of fishing alone or be paired together, depending on their priority.

Pairing Priority:

1. Guarantee Anglers and Co-Angler - enter on the same entry form by the entry deadline. Anglers will be paired with a Co-Angler and will use their Boat. It is possible that a Guaranteed Angler will be given the option of fishing alone. A Guaranteed Co-Angler will be guaranteed entry and participation in the Event.
2. Angler or Co-Angler entries received by the entry deadline, but not as a pair.
 - a. Anglers (boater): will be accommodated for entry, but may be paired with another boater. They will not fish alone.
 - b. Co-Angler: will have priority over late entries, but may not be able to fish (e.g. more co-anglers than can be accommodated by the number of boats).
3. Angler or Co-Angler entries received at the tournament site (late entries).
 - a. Anglers (boater) will be accommodated for entry, but may be paired with another boater. They will not fish alone.
 - b. Late Co-Angler entries will not be accepted if the entry would result in more co-anglers than can be accommodated by the number of boats.

The tournament director will notify Co-Anglers in advance if it is known that the Co-Angler may not be able to participate, however, late cancellation may make advanced notice impossible. In addition, late boater entries may make a spot available at the tournament meeting (e.g. "the last minute").

Entry Confirmation

Entry confirmations will be done by e-mail or text only. It is the responsibility of the Contestants to make sure the Tournament Director has a functioning and legible e-mail address in which to send the confirmation. If a confirmation is not received, contact the Tournament Director for confirmation at joenitro21@mchsi.com. [Joe Snyder 217-871-1974](tel:217-871-1974)

Check-in/Weigh-in:

All contestants must go to the weigh in table, sign their weigh in slip and their partners weigh slip. They must do this even if they do not have fish to weigh. Failure to sign a weigh slip before scales close results in disqualification (participation points are not awarded).

Courtesy Bumps will not be allowed.

Points Standings

Points for each one day event will be based on a 100 Point scale (100 points for first, 99 points for second, etc.). In the event a contestant participates in an event and records no catch, the participant will be awarded up to 40 points for their effort.

Two day combined weight tournaments will have double points (Super Tournament and Open Trail Finals).
